

First Nations  
Technology Council

# Amplify Awards

---

PARTNERSHIP PACKAGE

Dear Sponsor,

The First Nations Technology Council is pleased to invite you to join us in advancing Indigenous innovation and digital transformation through your support of the Amplify Awards. This signature event celebrates the brilliance, leadership, and creativity of Indigenous technologists, innovators, and communities who are shaping the digital future across British Columbia.

As a sponsor, you are not just backing an event; you are investing in the people and ideas driving meaningful digital transformation. Your partnership supports Indigenous-led innovation, strengthens community capacity, and contributes to a more inclusive and dynamic technology ecosystem. Together, we help elevate Indigenous voices, expand digital storytelling, and honour the leaders and communities creating lasting impact.

Thank you for considering this opportunity to support Indigenous innovation and help create bright digital futures for First Nations across the province.

Kukwstsetsemc,

Natiea Vinson, CEO

## The Event

On October 20, 2026, over 150 Indigenous technologists, communities, and organizations from across British Columbia will come together to celebrate each other's outstanding achievements in digital advancement and innovation. This gathering will foster connection and collaboration by highlighting significant contributions to community development and Indigenous leadership. With entertainment from Indigenous artists, networking opportunities, a keynote speech, photography moments, and an awards ceremony, this inspiring evening will be a powerful reminder that Indigenous worldviews are vital to shaping the future of technology.

**Date:** Tuesday, October 20, 2026

**Time:** 5:00 - 9:30 PM

**Location:** TELUS Garden Offices 510 W Georgia St. Vancouver, BC

**Guests:** 150 +

## About Us

We are an Indigenous-led, innovative non-profit organization mandated by First Nations leadership in British Columbia. We work to advance digital literacy, improve internet connectivity, and provide guidance on data and digital technology for all 204 First Nations across the province.
